COMMENT: Becky MacGuire, Christie's Senior Specialist for Chinese Export Art, said; "Paddles flew at Christie's today as bidders in the saleroom battled bidders on the phone for top lots of Chinese export art. We were particularly pleased to have on offer porcelain figures and animals from three old, distinguished North American collections, and the market responded with fervor. The sale total exceeded its pre-sale high estimate and buyers hailed from Europe, America, Latin America — and we also saw continued participation from new clients in Asia. Our auction today has again proved that knowledgeable private buyers will stop at almost nothing for the best objects."
