NEW YORK – This summer, Christie's Americas is expanding its geographic presence to include the art-centric enclaves of The Hamptons and Aspen. Beginning in June and July respectively, Christie's will launch pop-up residencies in each location, with a full roster of public exhibitions, client events, and educational programming hosted from dedicated retail gallery spaces. Both locations will offer property for immediate sale, ranging from 20th and 21st Century Art to luxury goods such as jewels, watches and handbags.

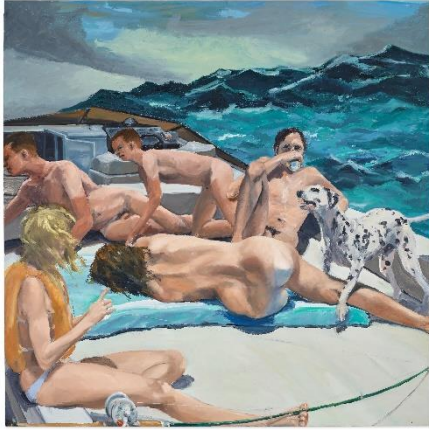

The summer residency program resumes Christie's long-running strategy of creating pop-up engagement opportunities in key locations around the U.S. and builds on the success of similar client-led programming initiatives in the Hamptons, Palm Beach and Chicago.

Bonnie Brennan, President, Christie's Americas: *"Summer is the optimal time to meet our clients where they live, and bring with us the fine art and luxury objects for which Christie's is so well known. Our teams have curated a dynamic series of opening exhibitions well-tailored to summer in Aspen and the Hamptons, and we look forward to seeing new and established clients in each of these idyllic settings."*

Christie's Southampton

Christie's launches its long-term residency in the Hamptons this June with an opening exhibition at its new outpost at 1 Pond Lane, Southampton. Located in a newly-refurbished 5,600 square foot glass-front building, Christie's Southampton will serve as a vibrant hub of activity for the region, with regular programming of events, exhibitions, receptions and brand collaborations for the local community. Christie's residency in the building, which will run through 2022, follows on the success of last summer's pop-up exhibition in the Hamptons, which drew hundreds of clients to a masterworks exhibitions of auction highlights over the extended 4th of July holiday. Christie's Southampton is located in the heart of Southampton Village, close to the Southampton Arts Center.

June 20 - July 11 | *Out East*

For its inaugural curated exhibition in Southampton, Christie's specialists drew inspiration from the area's best-known artists, whose work is synonymous with the region's rich landscape and inviting proximity to the sea. Works by Willem de Kooning, Helen Frankenthaler, and Lee Krasner anchor the exhibition, complemented by Fairfield Porter, Roy Lichtenstein, and Andy Warhol, among others. Together, the works on view in *Out East* capture the magic of this special place, and reveal how the beguiling beauty of Long Island spurred a rich and varied body of work.

Sara Friedlander, Deputy Chairman, Post-War and Contemporary Art, noted: *"The East End has long been an important destination for artists and collectors alike. Christie's is honored to be part of such a thriving gallery community in the Hamptons and we look forward to an exciting summer of programming with our specialist team and friends in the region."*

Christie's Aspen

Christie's pop-up program "Summer in Aspen" continues the company's long-standing tradition of summer programming, with the addition this season of a dedicated gallery space in downtown Aspen. Christie's Gallery will temporarily occupy Christie's International Real Estate Aspen, located at 520 E Durant Ave., and will be open from 11am - 5pm, Monday to Saturday, from July 3 through August 8.

Throughout the month, Christie's has organized a series of rotating thematic exhibitions leading with 20/21st century art, specially curated private sales property, luxury objects available for immediate sale, and a preview of Fall 2021 auction highlights showcasing a rich array of fine art and objects. Taking place alongside exhibitions are a series of client events and educational programming focused on topical issues in the art world.

Capera Ryan, Deputy Chairman: *"Christie's has continued to build a presence in Aspen over the past 20 years. We are always delighted to partner with the arts and cultural institutions of Aspen for thoughtful conversations while bringing our own talent and art to the community."*

Schedule of programming:

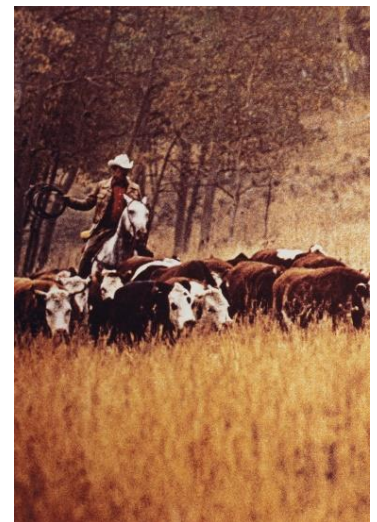

July 3-15 | *Basquiat to Banksy: Off the Wall Aspen*

Following the success of *Basquiat to Banksy: Off the Wall London*, Christie's is pleased to present a second iteration of the selling exhibition in Aspen. Bringing together the cult figures of the 80s with the counter-cultural artists of today we will celebrate the negotiation between street and studio over nearly half a century on the walls of Christie's Aspen. From the vigorous marks of Basquiat to the iconic motifs of Banksy, this exhibition seeks to recreate the buzzing energy of the streets.

July 17-28 | *Out West*

Paying homage to Aspen and the surrounding region, *Out West* will feature artworks by artists who worked in, were inspired by, and depicted the American West. From Ed Ruscha mountain paintings to Richard Prince's cowboys, *Out West* will bring together a group of artists connected by their love of western imagery and landscape.
