Nick Sims, Specialist Head of Sale Day I and Fiona Baker, Specialist Head of Sale Day II: *"The two day final Style & Spirit sale of 2012 saw spirited international bidding across all categories. We are particularly pleased with the result of the top lot a pair of Jumping Horses by Tom Hill, commissioned for the final fence of the cross-country Equestrian Eventing of the London 2012 Olympics. There was notable online participation throughout, with 58% sold or directly underbid on Christie's LiveTM during the second day when Part I of the Art Nouveau & Art Deco Collection of a Nobleman was warmly received, selling 92% by value and 88% by lot. We look forward to the first Style & Spirit sale of 2013 on 29th and 30th January which will include Part II of the Collection of a Nobleman."*
