Comment: Richard Lloyd, International Head of Department, and Alexandra Gill, Head of Department:

"It is a rare pleasure to be able to curate a single-artist sale and we are thrilled with the results of the 'Hockney on Paper' auction which followed an exceptionally well-attended view. Strong bidding was received across all channels with several works selling for many times over their pre-sale estimates. The success of the sale is a testimony to both Christie's skill at organising these landmark sales and David Hockney's versatility as a draughtsman."
