Michelle McMullan, Associate Director, Head of Day Sale: "This sale achieved exceptional results for a private collection of Diego Giacometti furniture which saw competitive bidding from the US, Europe and as far as Malaysia and Hong Kong bidding online. The enduring fascination with Impressionist paintings was evident in the lively bidding on Renoir, Degas and Berthe Morisot, with strong participation from Chinese and Pan Asian collectors. A collection of Picasso gold medallions set a new world record price for the medium by the artist and paves the way for the sale of Picasso Ceramics and Editions in South Kensington."
