Celia Harvey, Head of Sale, commented: “We are thrilled with the results of the second edition of the Out of the Ordinary sale which saw strong prices achieved throughout. The extended five-week summer view once again welcomed thousands of visitors to Christie's South Kensington, many for the first time. This contributed to high levels of bidding in the auction, particularly in the room and on the telephones as well through Christie's Live™. The complementary online sale, Out Of The Ordinary: The Online Edit, runs until the 10th September providing a further opportunity to acquire unique and extraordinary works, including additional examples of Steffen Dam's highly sought after ‘jellyfish’.”
