James Richards, Drawings and Watercolours Specialist, commented on the collection of The Illustrated London News:

"This auction included the collection of The Illustrated London News, which realised a total of £108,170 and was sold 85% by lot. The sale has brought to light the historical importance of these original artworks and illustrations, created for and reproduced in print by The Illustrated London News and The Sphere. The collection has received a huge amount of interest: we are very pleased with the results and hope that the sale has helped to raise the profile of these artists."
