**Hong Kong** – On 27 March, Christie's Wine Department kicked off the first sale of the year for the category, having achieved HK\$27,766,500/ US\$3,590,856, 96% sold by lot and 114% hammer above low estimate. The sale attracted heated bidding across 3 continents, with over half of the sale sold via Christie's Live™.

**Michelle Chan, Head of Wine, Christie's Asia Pacific**, commented, "We are delighted to kick off the global wine sale calendar with phenomenal results achieved today. Single-owner private collections continue to be 100% sold across the past seasons, this time driven by the strong prices of Bordeaux First Growths, Petrus, DRC, Domaine Prieuré Roch and Domaine Bouchard Père & Fils. Rounding out this sale was a robust selection of Bordeaux classics from 1990s to 2010s, which also realised remarkable prices. We look forward to extending this strong buying momentum to our upcoming live auctions in Hong Kong this May."
